PROFILE

Creative visual designer seeking an internship at a front-end, graphic design, or creative agency. Experienced delivering real client work — from campaign visuals and motion content to full-stack web products — with a strong eye for UI, animation, and brand storytelling. Comfortable owning a brief from concept through Figma, code, and deployment.

Content Creation

EXPERIENCE

OWOW

Netherlands · Client work

Front-End Developer & Designer

- Built **Atlas in Motion** {Apr 2026 - May 2026} — a full-stack animation library (Next.js, React, GSAP) for OWOW clients.
- Designed and shipped a landing page from Figma wireframes to production; **#1 place out of 50+ contestants**.
- Developed a client success **dashboard** {Jan 2026 - Mar 2026} and a full **design system** from scratch (Figma, Next.js, React, Vercel).

Eindhoven Pride

Official organisation

{Sep 2025 - Dec 2025}

Motion Designer & Content Creator

- Motion design and social content for the official Eindhoven Pride organisation.
- Filming experience with film-grade cameras, studio lighting, storyboarding, and scripting.

Affiliate Agency

Ukraine

{May 2025 - Aug 2025}

Graphic Designer & Content Creator

- Marketing and branding content for a renowned affiliate agency.
- Campaign visuals using Photoshop, Illustrator, Midjourney, and AI-assisted workflows.

EDUCATION

Fontys University of Applied Sciences

Eindhoven

{Sep 2024 - Present}

- Studying ICT — Front-End Development and Media Design.

SELECTED PROJECTS

Interactive Portfolio

{2026}

- Creative-coded portfolio with WebGL, GSAP scroll animation, and physics-driven UI (Next.js, Three.js, Matter.js).

Motion Design Project

Personal

{May 2025 - Jun 2025}

- After Effects kinetic typography and short-form animations across experimental projects.
